

# The Bridges Collaborative

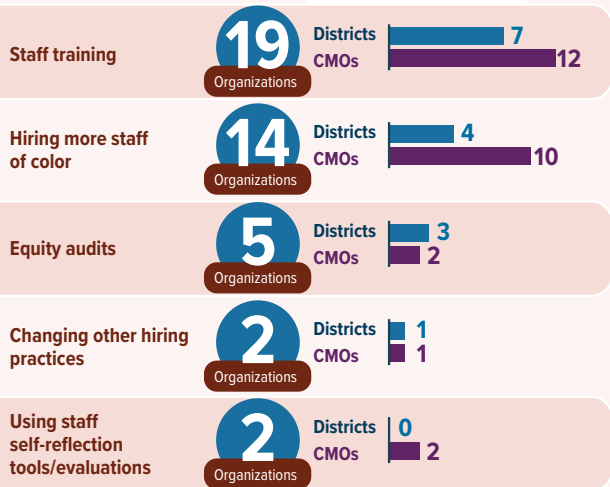

The Bridges Collaborative, an initiative of The Century Foundation (TCF), is a coalition of various district and community organization collaborators (or ‘members’) working to advance racial and socioeconomic integration and equity in U.S. schools.

## Bridges Collaborative Integration Initiatives

**36** education-focused members:

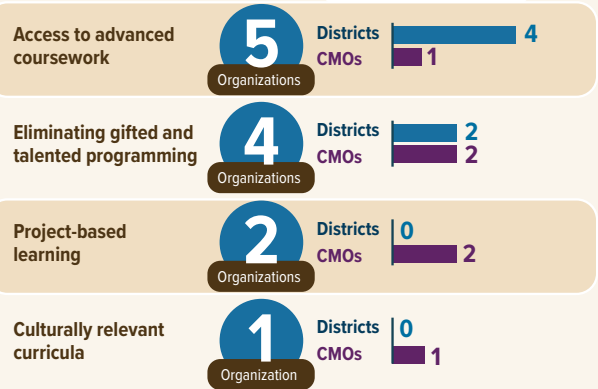

### Staffing

**Desegregation:** The removal of barriers to allow students of different races to attend the same school. Indicators focus on the demographic makeup of the school and its corresponding neighborhoods.

**Integration:** The creation of educational communities where students and adults of different races not only teach and learn together but also collaborate to advance the educational experience of the entire student body. Indicators include diverse school staff, inclusive curricula, and the incorporation of student voices.
